1. An urgent operational requirement to upgrade an [REDACTED] flight crew from C-130A to C-130B in connection with [REDACTED] has been levied upon DPD. [REDACTED] and the undersigned have worked out the following arrangement for funding, which is guided in precedent established some months ago when an [REDACTED] navigator was trained by the [REDACTED] and the funding mechanism ran from [REDACTED] to Headquarters. Specifically, the arrangements concluded were as follows:

a. The crew, consisting of [REDACTED] commences training at the [REDACTED] plant on 4 January for an approximate two weeks plus period. An informal cost estimate for this training puts it in the neighborhood of \$7,500, depending upon level of crew proficiency. The syllabus calls for one week of ground school plus up to two weeks of flight time depending on weather and aircraft availability, with an average of ten to fifteen flight hours provided per crew member.
